

Canadian Fallen Heroes Foundation

For Immediate Release on September 2, 2015

Generous Donation from Kootenay Savings Technology Solutions Department.

The Canadian Fallen Heroes Foundation would like to express its sincerest thanks to Kootenay Savings Credit Union and its staff. When called upon, Kootenay Savings generously donated eight computer monitors that will be used by our staff to complete the memorials of the fallen heroes of the West Kootenay's. It is with this donation that we will be able to bring life back into the name of the hundreds of soldiers that are inscribed on cenotaphs throughout the area. We encourage you to drop by a branch today and thank the staff for their support. It is truly appreciated that we can count on local businesses, like Kootenay Savings, to complete our goal of creating a last tribute for all.

From left to right: Steven Hall, Mary Hall, Aaron Verdon (KSCU), Tyler Dalton and Morgan Dalton.

The Canadian Fallen Heroes Foundation is a registered charity who aims at saying thank you to Canada's fallen soldiers not only on Remembrance Day, but every day of the year. We are currently creating online and physical memorials that house a photo and biography of the soldier, so their sacrifice can forever be remembered. We invite you to view the memorials of the soldiers we have been able to complete so far. To access the site, please:

1. Go to www.canadianfallenheroes.com
2. Click on the heading In Memoriam
3. Set the Province and type in the Town or City or search by name
4. Click on the name or photo of the first soldier populated to navigate through the memorials.

If you have a family member or know of someone who was killed in action and would like them up on the site, please email us at memorials@canadianfallenheroes.com to get information on how to add a name to our list.
